

# Structure of the IWFM Level 2 Certificate in Facilities Services Principles

This document sets out the Rules of Combination which you must achieve in order to be awarded the qualification.

The mandatory units for the qualification **must** be achieved.

We recommend the optional units you choose are discussed with your employer where appropriate.

The matrix below shows the minimum and maximum number of units and credits for the qualification.

	<b>Minimum Credits</b>	<b>Maximum credits</b>	<b>Minimum No. of units</b>	<b>Maximum No. of units</b>
<b>Level 2 Certificate</b>	13	13	4	4

Upon receiving your access details to this course you will need to complete the qualification within the two year registration period.

## Level 2 Ofqual descriptor

Achievement at level 2 reflects the ability to select and use relevant knowledge, ideas, skills and procedures to complete well-defined tasks and address straightforward problems. It includes taking responsibility for completing tasks and procedures and exercising autonomy and judgement subject to overall direction or guidance.
